

ANNOUNCEMENT OF INTENT
TO CONTRACT FOR ARCHITECTURAL LED
PROGRAMMING, DESIGN AND ADMINISTRATIVE SERVICES
FOR THE
LEESAR REGIONAL SERVICE CENTER
FORT MYERS, FLORIDA

LeeSar, Inc. (“LeeSar”) is accepting requests for qualifications from architectural consulting firms under the provisions of the Consultants’ Competitive Negotiation Act, Section 287.055, Florida Statutes, relating to the regional service center to be developed and constructed at 2727 Winkler Avenue, Fort Myers, Florida (“Facility Site”). The services sought consist of all architectural, civil engineering, structural engineering, mechanical engineering, and electrical engineering services needed for the programming, design and contract administration of a regional service center to be developed and constructed at the Facility Site. Firms qualified to submit for the project shall consist of architectural firms licensed to engage in the practice of architecture under the provisions of Section 481.219, Florida Statutes. All supporting design consultants will contract with and work under the direction of the architect.

Qualified architects are invited to notify LeeSar of their interest in the project. A Request for Qualifications and Statement of Qualifications and Performance Data Form (“Request for Qualifications”) can be obtained from LeeSar by calling LeeSar’s administrative offices at 239-303-3446.

All interested architectural firms must complete the Request for Qualifications Form and return the same to LeeSar’s administrative offices located at 5597 8th Street West, Lehigh Acres, FL 339781 by January 11, 2010 at 3:30 p.m. in order to be considered for the project. Any interested architectural firm not fully completing a Request for Qualifications Form will not be considered for the project.

The Request for Qualification Form will be utilized to prequalify, select and short list no fewer than three (3) architectural firms as the most qualified based on the following criteria: ability of personnel, ability to meet time and budget requirements, previous performance and references, recent experience, recent healthcare/industrial design experience, geographical location of the firm, ability to respond to LeeSar in a timely manner, demonstrated approach to similar projects and current and projected workloads.

LeeSar reserves the right to reject, in its sole discretion, any and all submittals.
